

**PARENTS' PERMISSION TO DEPART
FROM SAFE SANCTUARY PROCEDURE**

NAME OF EVENT: _____

DATE OF EVENT: _____

In consenting to my child's participation in the above-named event, I understand that it may be impossible for the leaders to comply with the typical "two adult rule" that we normally use in the supervision of children and youth. This means that any of the following **COULD** occur during this event:

- My child will likely ride in a vehicle where there are other youth, but with only ONE adult present (instead of the usual two adults).
- My child may be in a group with other youth, which is supervised by only ONE adult leader (instead of the usual two adults).
- My child will typically NOT be in a situation where he/she is alone with only an adult, but under certain circumstances this could occur (in transportation, emergencies, unforeseen situations).

I understand that I have the right to inquire which adults will be present on this trip before I give my permission.

_____ I give my permission for my child to participate under these circumstances.

_____ I do NOT give permission for my child to participate under these circumstances.
